

LAUNCH OF THE 14th EDITION OF "TUNIS BOURSE CHALLENGE"

On the occasion of its 14th edition, the online stock market competition **"Myinvestia"** is evolving and becoming **"Tunis Bourse Challenge"**. This new identity marks a new stage in the development of this Tunis Stock Exchange initiative, while preserving its educational purpose: raising public awareness of stock market investment and fostering a better understanding of how the financial market operates.

The 14th edition of **"Tunis Bourse Challenge"** will be launched on **Thursday, October 1st, 2026**.

The objective of this challenge is to introduce participants to the techniques and best practices of investment in securities portfolios, and to enable them to experience the operating rules of the stock market. The challenge site is www.tunisbourse-challenge.com

An online registration form is available there, as well as Internal Rules setting the rules for participation and operation of the challenge.

Individual and free registration available until **January 31, 2027**.

For this edition, prizes will be awarded to the holders of **the four (4) best valued portfolios** on the challenge closing date, set for **May 31, 2027**.
